* Mortgage, Home Equity, and Business Loans (including Business Credit Cards) are not eligible for Skip Pay. Members who have been granted extensions due to extenuating circumstances within the previous 12 months are not eligible to participate. Members must have payments up to date, including the previous month's loan payment, and the loan must be opened seven months to be eligible for Skip Pay.

**Based on the loan due date, loan payments transferred from another financial institution, or external transfer, agreements must be returned at least five business days prior to the actual due date. For payments made by internal transfers from an Arize account, the agreement must be returned no later than one business day prior to the actual due date. Guaranteed Asset Protection (GAP) coverage may be limited if more than two Skip Pay extensions are taken (or 60-day delinquencies occur) during the life of an auto loan.
